News and Reminders

School Cash Online

School Cash Online is a computer application authorized by the school Board to track permission forms and allow for online payments. If you are not already registered, we request that you do so right away. Parents/guardians will use a secure online account to complete forms and process payments. Payment can be made through credit card, by EFT directly from your bank account, or by using a visa/mastercard debit style card.

Parents/guardians can select to receive email notification when a new item becomes available. Items are personalized to each student. For example, if Grade 2 students are attending a field trip, the option to pay for the field trip will only be visible to parents of those students.

To create an account go to

<https://simcoecounty.schoolcashionline.com>. You will need your child's student number to add them to your account. Please contact your school if you do not have this number.

Indigenous Graduation Coach

Killarney Beach would like to welcome Shyanne Woodcock, our Indigenous Graduation Coach. Ms. Woodcock works with the Nantyr Shores Secondary School family of schools and will be providing support to our students that self-identify as having Indigenous heritage. Her role is to provide support to students and facilitate access to academic and community resources.

What's Happening at Killarney Beach

Already this year students have had the opportunity to get involved with Bus helpers, Eco Collection (green bin and recycling), and Lunch monitoring, Cross Country Club. Upcoming tryouts: Intermediate Boys' Volleyball, Junior boys' volleyball, and Intermediate girls' Basketball. Throughout the year students will have the opportunity to get involved.

Meet the Teacher Night

Please join us on **Tuesday, October 10th from 5-6**. Meet the Teacher Night is an evening to welcome families into the building to meet the staff of Killarney Beach.

Our Scholastic Book Fair will be open to families in attendance. The Book Fair will be held in the library.

Assessment and Evaluation:

Parents/guardians play a crucial role in their child's education. Assessment, evaluation, and reporting are integral parts of a student's education, providing valuable insights into their progress, strengths, and areas for improvement. The Parents' Guide to Assessment, Evaluation and Reporting is designed to equip parents/guardians with the knowledge and understanding needed to navigate the world of assessment, evaluation, and reporting and to effectively and empower them to actively engage in their child's educational journey. Please use this link to access the [Parent's Guide to Assessment, Evaluation and Reporting](#).
